I'd like to also THANK the people who put it up and take it down each time, THANK YOU!

SOUND LOGICAL TO ME

WOMAN: Do you drink Beer? **MAN:** Yes. **WOMAN:** How many beers a day would you drink? **MAN:** About three. **WOMAN:** And how long have you been drinking beer? **MAN:** About 20 years. **WOMAN:** So if a beer costs about \$5 and you have three beers a day, you would spend about \$5,475 a year on beer? **MAN:** Correct. **WOMAN:** So, over 20 years, this puts your spending at about \$109,500? **MAN:** Correct. **WOMAN:** Do you know if you didn't drink so much beer that money could have been put into a savings account – and after accounting for compound interest for the past 20 years, you could have now bought a Ferrari?

MAN: Do you drink beer?

WOMAN: No.

MAN: *So, where's your Ferrari?*

WALLAN SWAP MEET & CAR SHOW

Sunday 21st September 2014

I left home about 7.30am to meet Kevin Shepherd at his home to head off to the Wallan Car Show.

We headed up the highway to meet members at the Shell service station in Donnybrook, but Kevin being in front drove straight past so we had to do a "u" turn and go back.

When we got there we couldn't do a left turn so we drove up the wrong way against the traffic, cars were flashing their lights and blowing their horns and waving their arms. We pleaded ignorance and kept going.

Anyway while waiting for the others to arrive, Billy Stocks waved as they drove past us, (bugger), so we left.

It was good to see the display already up when we arrived. Joe broke down half way into the footy ground, and Billy had to tow him in after buying a tow rope for \$5, lucky we were at a swap meet.

We were also on the hunt for some clutch fluid, and we found some.

When we parked our cars I boiled the billy only to discover I had no sugar, so I had to have my coffee without sugar, much to my disgust.

Met Paul & Mary and discussed installing a Tuff Lift Hoist for them. Surprised judging was over by 12.30pm. Thanks Kevin M, no trophies, not happy.

Anyway to my surprise Marg Stocks came and bought me an egg and bacon sandwich because I had missed out earlier in the morning, thanks Marg!

Overall a great day, bought a few gifts, looking forward to the next run.

Regards

Rob Breheny & Kevin Shepherd.

Others members attending were:

Kevin Mulroney, Bill Patton,
Joe Faralla, Bill & Marg Stocks,
Paul Cattach, Jim Camilleri and his
mate Dave, Ray & Sandra Kilby,
Mick Breheny & Kyle, Andrew
Brooks and our visitors Paul & Mary.

EUROA SHOW n' SHINE

5-10-2014

We were a bit late leaving home after babysitting our 18 month old grand-daughter.

The weather was a magnificent beautiful sunny day and we arrived at Euroa to find Mick and his troupes all set up in a beautiful spot right near the river.

Members attending were Rob and Marg, Kevin and Brenda-Lee, Bill, Marg and Bob, Jim and Dave, Joey and Billy, Wayne and Bob, and us, Marg and Henk and not long after Norm and Linda arrived.

When we arrived the girls were on their way to the market which was so colourful with lots of stalls to keep them busy for a couple of hours. The market was set up in the side street and there were lots of hat stands, jewellery and clothing stalls etc.

We all had a picnic lunch in our marquee and we all had a great day. Rob took lots of orders for our new shirts which look very smart, as Rob and Marg, Kevin and Brenda-Lee had already purchased theirs so they made good looking models.

The Club won the Best Club Display again, which was well deserved. All our cars were of great interest to the public and there were many onlookers and a couple of visitors.

Once again we had a very enjoyable day with our fantastic FORDS.

Marg and Henk.

MARSH RODDERS SHOW n SHINE

Top
Club
1st

7:00am and its off to the Marsh. Deb had a big day yesterday making Xmas puddings with our girls so she had a sleep in.

Kevin Mulroney had a billycart race to go to and my grandson Kyle is in the USA, so it was just me to drive to the Rock Bank BP where Rob and Kevin, Bill and Marg with Bob, Jim and Dave, Wayne and Bob, Les and Maureen in Goldie, Gary and his grandson Tom and Terry Usher were having coffee. A quick cruise to the marsh and the setup started. Joe and Billy, Jim and Helen made up the Club Display and it looked OK, (the judge said top Club), another trophy for the Club, good job guys.

A walk around the show and the swap was OK, but some body made brother Rob buy another plane for the shed!! He couldn't help himself Marg.

The new shirts looked great and Bill and Bob Stocks brought hats, so everybody had to have one. Bob Stocks went over and brought 10, it looked like Bill and Ben and the flower pot men, or the blues brothers.

We won a \$150 voucher with the Club Display so we will get the club logo on them, so keep an eye open for the new look.

Packing up the display was OK, but I am over putting it all in the Cussy. I can't wait for the trailer to be finished.

Billy is working well, so if people would stop getting him to do other jobs (Kevin), it will be ready for Kaniva - won't it Billy??!!!

We have got a busy 7 weeks ahead till Xmas so keep the Cussy clean and on the move.

Thanks to all. *Mick Breheny.*

CUSSY CLUB

XMAS PARTY 2014

It was 9:15am when we left home and it was wet from Moorabbin to Greensborough, the roads dried up a bit but all my cleaning effort was a waste, never mind we arrived at the Xmas Party in one piece and got our Cussy parked. Then it was time for the Xmas greetings with all who had arrived for the party.

This year we all parked across the bitumen, as it was a bit wet in the paddock, and when all had arrived what a fantastic sight to see so many Cussies all lined up together. I am sure Henry would have had a smile on his face.

After a good old chat and some refreshments Santa arrived on the fire engine to the great delight of all the kids. Inside the hall Santa called each child up and presented them with a present, all to their amazement. It was then about 12:30pm and lunch was served. Roast pork, beef and drumsticks were the go with plenty of spuds, pumpkin and several different salads to round it all

off. There was plenty of food and it was very nice and the meat was just perfect. Then a big slab of Pavlova rounded the meal off for me.

A bit more chatting, taking some photos of the cars and some more refreshments and nibbles were had and then all the raffles were drawn, with many members taking home some great prizes. Then next up we had the presentation of the trophies. Rob made the announcements and Ray presented the trophies to all winners. Rob Breheny won the People's Choice for his 56 "Panda" Victoria and Les Cross won the Best Overall for his immaculate 55 Sunliner, and I won the Best Aussie 56. There were too many to list here but congratulations to all Trophy Winners. After all that excitement it was time for all the kids to line up and get their Xmas Stockings, filled with all sorts of goodies.

The afternoon progressed and we headed off home at about 4:00pm.

What a Great Day, very enjoyable. See you all again soon, **Rob Brereton.**

Special thanks must go to Mick & Debbie Breheny and all others who helped put on such a great day.

Cruden Farm Run

26th October 2014

Deb and I headed off at 7.30 am and had a good run to the West Gate United.

Rob rang me and said the Panda had a hissy fit and wanted to stay home, so Rob, Marg, and Lorraine came with Kev and Brenda.

We had a good cruise down to Cruden Farm and when we arrived the parking marshals wanted us to park in one spot, but we knew better, so over to the other side for us and under a big oak tree was the right spot.

Our Club Display setup only took

20 minutes and the kettle was on. Graedon and Sandra, Norm and Linda were there, then Jim and Rebecca with Dave and Cath made up the group.

Deb and I went for a walk to look at the garden and Deb loved the roses.

We bought \$20 worth of raffle tickets, hoping to win a weekend car hire of a convertible Benz.

At the cars we had a picnic lunch then it was about 3.00pm, time to go over for the raffle draw.

There was a very tall colourful magician who had Rob doing tricks, but when he put his foot in his mouth that was the end of Rob's tricks, then it was Jim's turn. A rope trick put a panicked look on his face, then it was Rebecca and Brenda - Lee's turn to play with lei's & umbrella's.

Then it was time for the raffles, but no prizes for us this time, so it was then time to head home.

Nobody wanted to do the run report so it's up to me.

Next week it's off to Bunnings at Carrum Downs, another run to the eastern suburbs.

Hope to see you there. *Mick.*

CARRUM DOWNS DISPLAY AT BUNNINGS 1ST NOVEMBER 2014

Well it is 5:00am and raining like crazy at my place, but the roads were fairly dry by 8:50am when I left home, but that did not last as it turned quite wet the closer I got to Carrum Downs. I was the last to arrive at about 9:25am and found Norm, Ray, Rob & Mick in Hungry Jacks having coffee and burgers.

The rain cleared and blue sky appeared with the Sun, so out came the chamois to clean up the Cussies. Well that was a big mistake as several more rain and wind squalls persisted all the time

we were there. Never the less we sat in my Cussy and

waited out the rain but the chamois stayed in the boot.

It was not the ideal spot they had chosen for the display or their sausage sizzle as it was away from the main shopping area. Although there were still quite a lot of people there getting a feed, looking at our cars and asking questions.

Ray headed off about midday whilst the other 4 of us waited it out in the car again, bloody rain spoilt the day a bit but never mind we still had a good day.

Someone asked what time it was and to my surprise it was 1:45pm. So after waiting for a while to get our picture taken

by Sue, the organiser from Bunning's, we decided to head off home at about 2:45pm and it was as wet as!, until I got onto the Frankston freeway and the Sun then shone on me all the way home.

Bunning's donated to the Club 3x \$50.00 vouchers for our display effort, so to those members who attended, "well done".

PS. This has been the first outing with the Club for me since January and it's great to be back in the Cussy again.

Hope to see you all again soon. Rob Brereton. (and Photographer).

BRIGHT ROD RUN

7th – 9th November 2014

After catching up with the family (the Mulroneys) in Wallan and travelling in modern luxury (air-con is awesome when getting to 31 degrees), to catch up with the oldies driving some of the most beautiful cars I have ever seen. We stopped at Avenel Roadhouse to wait for the slow coaches and a quick coffee. Pulling out & heading to Milawa for lunch the convoy lead by Mick & Deb was a sight to see, but considering we, (Laura and myself), were at the back of the convoy we were travelling at a fairly good speed. Milawa for lunch at the bakery was a laugh with banter between the two tables. Getting to 34 degrees I thought I was dying but I knew it was for a good cause; to meet new people and learn about their beautiful cars. Friday night spent at Mick & Deb's for a BBQ tea, laughing at phobias of spiders & things with wings.

Saturday was spent travelling up to Beechworth for a look around the Celtic Festival and shopping along the way. Going for a cruise around the Main Street of Bright was slow but enjoyable. The variety of cars, makes, models, paint work and even airbags makes me squirm to get myself a custom vehicle.

Sitting back at Mountbatten Ave park with the crew watching the cars go by I came up with a great idea ... car hopping. Stand in the Main Street, when a car stops jump in the back, go for a lap and get to know some new people, but being in a town I don't know decided against it. Marg & Brenda wanted to come watch but maybe next time. We sat for hours watching the cars deciding where they were on the scale from damn wrong to absolutely awesome! Then tea at the Chinese restaurant, lucky for me I passed on, apparently the reviews weren't the best.

Sunday plan - wake up early have the 3 S's and off to the car show at the rec ground. Phone call from Mick "I've shat the bed, we're out the front!", I'm ready but it's still 20 mins before the designated meet up time. Travelling with the awesome 4some, somehow Rob pulled a swifty and none of us had to pay!

Setting up camp on the outside of the field, could be good, could be bad. Although the cars weren't entered into the show & shine was definitely a good thing, the blistering heat was hard to stand so the new spot for the Victorian Customline Club has hopefully been claimed and next year will be claimed again.

After a snooze back at the caravan, we met up with the crew at Porepunka Pub for tea. Where my occupation came out and I started getting picked on for helping out the staff by collecting glasses and collecting knives & forks for the ones that couldn't get out of the tables.

We all left with full bellies, smiles on our faces and promises of meeting again one day soon! I have loved meeting the members of the club, and will hopefully again join them whether with my own car or someone else's on a run, it has been an experience I will never forget.

Thank you.

Nicole.

The thunder and rain at 2.30 am made me think why did I spend 4 hours cleaning the Cussy, so back to sleep for a couple of hours .

Kevin M was on TIME, 6.45 am. So it was a slow drive to Whittlesea on the wet roads.

We arrived at the showgrounds and a quick shammy and it was all good. Rob, Bern & Kevin Sheppard were there.

I was a bit worried about the new gazebos but they went up in a flash.

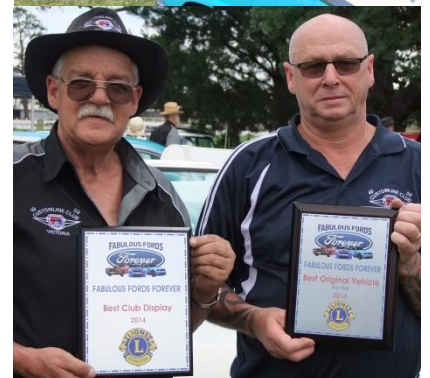

The other Club Members and the Mulroney family then started to arrive.

Then it was time to put up the new swooper flags and if I must say so myself, they looked fantastic.

I would like to thank Tony Gill for all his hard work sewing up the flags and the members that helped with the \$ cost, a big Thank You to them.

The 16 cars and display was all set up and the judge said it was "THE WINNER", so congratulations to you all on a great display.

Les Cross won the trophy for the best pre 1960 for his Sunliner, great job Les. Rob and Les with the trophies at right.

The show was not all that big, but it was their first one, so it can only get better with a bit more advertising.

It was a very relaxing day with some great banter and some planning for the next show.

Many hands made light work of packing up. Once again Thank You All for a great day.

Mick Breheny.

P.S. Mick has thanked everyone for putting on such a great Club Display on this day.

But without the enthusiasm that Mick has for setting up the Club Display we wouldn't keep winning trophies for the Best Club Display.

So, from all of us, CONGRATULATIONS AND

WELL DONE to Mick for his efforts. Ed.

KILMORE Show n' Shine

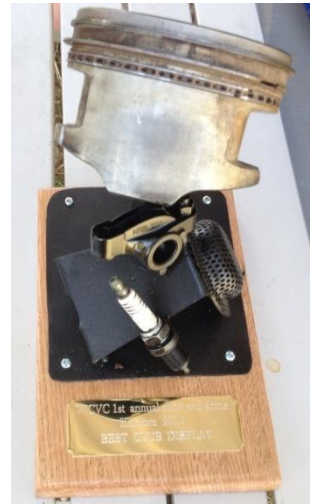

Hi everyone. Rob and Margaret Breheny arrived at our place around 8am and we all had a quick cuppa then left to meet up with Mick Breheny and Kevin Mulroney on the side of the road at Wallan, just down the road from Micks place. Then the four of us made our way to the show and arrived there at around 9am.

30th November 2014

Mick picked a prime spot under the trees on the outside of the oval on a bit of a hill.

While the men were setting up the club display, with love and care as always, Margie and I decided to wander over to the oval as we could see a couple of stalls

and we can't help ourselves, we have to have a look. We also thought we would get a look around early before it got too hot. After we had a browse and made a few purchases we

Best Club Display

started to walk back and the first thing we noticed was that the men had finished putting up the display and all you could see was a sea of blue and white flags. The display looked like a castle sitting up on the hill, everyone

could see it, and it looked fantastic, well done boys.

By the time Marg and I returned Marg and Bill Stocks, Jim Camilleri and Dave, Joe Faralla,

Billy Patton, and a new member Andrew Brooks and his grandson had all arrived. It was a beautiful sunny day for a show and the weather was definitely on our side.

This is the first time the Wallan Car Show has hosted a car show at this venue and there was a pretty good turn out with about two hundred cars and many more parked on the outside of the oval for the shade. We were all wondering why it was so quiet, then we realised that Mr Mulroney was off socializing with the Wallan Car Club and council duties, but he graced us with his presence when we won the trophy for the Best Club Display again, and to help us pull down and pack away the display. Everything was ready to roll around 3.30 pm and another great day was had by all club members.

Brenda-lee Milton.
