A WORD FROM OUR PRESIDENT

Hello Cussy Lovers.

Well we all had a great time celebrating the 40th Birthday of our Club at the Keilor Hotel on the 7th June, where I had the pleasure of handing out Certificates of Appreciation and Badges to our members for their years of service. One has over 30 years membership, we even had one of the founding members present, Ray Shalders, who cut the cake for us. It really was a great day and to all who attended and helped arrange the day, a very big thank you.

Now winter is well and truly upon us, but that won't stop us having some fun. We have some great runs coming up. We have a few cruise nights at Whittlesea, Bowling at Epping with Tea at the Highlander, Sandown Show n' Shine, Flemington All American Day, Fat Bob's, Euroa Show n' Shine and Marsh Rodders Swap Meet. All the details are in this newsletter on the Run Sheet.

We also have the AGM on Sunday 19th July, so if anyone is interested in filling any of the Committee positions then please come along and nominate at the meeting. Also don't forget you have to be present at the meeting to vote for the Ernie Taylor Award.

I have really enjoyed my time as your President this past year and I would like to take this opportunity to thank all those on the Committee and to everyone who helped me along the way.

*The next item I need to mention is the **Membership Fees**, which are due and need to **be paid by 1st July**, as you need to be a current financial member to vote at the AGM and to renew your Club Permit, so please find your renewal form within this Newsletter.*

Let's Keep on Cruising in the Cussys!

Rob Breheny

Your Club President.

FROM THE EDITORS DESK

Hi All. That time has come again for the next issue of our Newsletter. We hope you enjoy what we have provided for you as there are some good Run Reports and Articles. You will notice that all the reports are not in date order, this is because it fits the double page spread reports better. Mick has once again provided a great list of forthcoming Runs and Events, so keep the Run Sheet handy to remind you of what is coming up. If you have anything that might interest our members then send it along to us and we will see what we can do with it.

Rob Brereton Newsletter Editor and Mick Breheny Assistant Newsletter Editor.

Our New Member:

We have 1 new membership application this Newsletter, so let's all welcome Daniele & Natalie Alescio from Hillside, to the Club. They have a stock Black & White 56 Victoria Coupe registered as VICE 56. We hope their membership with the Club is an enjoyable experience. We may soon have a picture of their vehicle.

My Customline and Mainline are hybrids - they burn both petrol and rubber and are electrifying. I love PRIUS drivers, they are saving all that petrol for me to use in my V8's.

MEMBERSHIP RENEWALS: See the Presidents Report for all the details and find your "Renewal Form" included in this Newsletter.

KILMORE TRACKSIDE SHOW N' SHINE

7.15 am and Kevin Mulroney is in my drive way. Rob rang me and told me he and Kevin Sheppard are running late, Rob must be tired after the trip to Tassie. So we're off to Kilmore, it's a bit cool but the Sun is on it's way.

Not too long and Paul Cattach is here and the display is up and ready, so

all we need now is some cars!! Bill n Marg, Wayne n June, Peter n Denise and Jim Stocks are here, and it doesn't take too long and we have got 9 Cars set and looking great. Then Jim n Dave arrive, and that makes 10. A good mate of mine Dennis Bird parked next to us in his very nice Desoto. It was good to have

a catch up with him. We all headed in to the restaurant for a Big Brekkie, and it was pretty good. After breakfast, we all went for a wander around the show, and there are a lot of very nice cars here. My grandsons Kyle and Jake arrived so that was my job for the rest of the day, all they need is food, drinks and a walk around!! Soon

enough it was time for the trophies. Kevin Sheppard won

Best Ford, well done Kev, and we won the Best Club Display, great job people!!

Deb arrived on her way back from Shepparton, after spending a few days with our girls, and a visit to SPC, so the car was full!! All too soon it's time to pack up. Loading the trailer is so

easy, every thing has a place and my helpers know where every thing goes, (they've been taught by an expert after all!!).

Till next time. Mick.

22 March 2015

THE GREAT ESCAPE

ECHUCA-ARARAT RUN

10TH TO 16TH MARCH 2015

Tuesday 10th March: Les & Sue, Rob & Marg, Kevin & Brenda & Kevin & Jackie are here, the sun is shining, and it's a good day for a cruise, with our first stop lunch at the Elmore Bakery. We have a total of 12 Customlines & one F100 on this trip, pretty impressive, and when lunch is over, we will make our way to the River Country Inn at Moama. I must say Deb and myself have stayed in a lot of motels all over the country, and this one is the best!! After arriving and unpacking we all headed out into the beautiful back garden to unwind with a drink or two, very relaxing. The mini bus arrived at 5.30 pm and it was off to the Moama Bowls Club for dinner. John and Jan Young arrived shortly after us and a good night was had by all. Mick and Deb.

Wednesday 11th March: We all arrived at the Echuca Wharf to go for a cruise on the paddle steamer Pennsylvania. It was a beautiful sunny day and the Murray River looked amazing with all the gum trees on the banks, very tranquil. After a one hour cruise we all disembarked then went in different directions to shop and have lunch. In the afternoon we all left Echuca in a convoy for Rochester to have dinner with John and Jan Young and their property is a credit to them, with beautiful green lawns and lovely trees. They put on a great evening and we had Pizza cooked in their Pizza Oven and Tacos all cooked to perfection.

Lots of laughter was enjoyed by all with our magnificent Fords all lined up on Johns lawn which

was a great picture. After dinner John asked us if we would like to see his Shelby Mustang Super Snake, well what a magnificent car. The boys were very impressed as were the girls and some had a sit in it, very nice. We all then headed back to Moama in our magnificent Fords. Thanks to John and Jan and their family for their hospitality. John and Jan's daughter and granddaughter were there to entertain us as well. Henk and Marg.

Thursday 12th March: We are going into Echuca today to drop the girls off for a shopping fix. We boys cruised around for a bit then we went to the Monaro museum and to Raverty's museum, then to the Wharf Pub for lunch. After lunch we went to sit in the rotunda in the park to watch the people looking at our cars. After the 15th person said, 'my dad had one of those cars', and the numnuts who asked, 'what year Chevs are they?', it was time for us to go back for a drink!! The girls were still shopping. Back at the motel the first can was downed, and the phone rang, it was Deb, 'we're ready to be picked up now!!! Well, it was me or Mulroney, I lost, so in I go to pick Deb n Jackie up. When they got into the car they told me 'we just need to pop

up to the other end of town to go to two particular shops, it won't take long!! 1 hour later we were on our way back!! Debs fit bit said she and Jackie had walked 8700 steps while shopping, which is 6kms. I'm pretty sure if I said let's walk around a car show, it's about 6kms, I know what the answer would be, 'where are the shops'??!! Dinner was at the Chinese down the road so we decided to walk, it was a great meal, and another fun day had by all. Most of us are off to Ararat in the morning, and a few are heading home. We're looking forward to a good cruise today. Mick and Deb.

Friday 13th March: 10 am and we are ready to go, good byes to Jim n Helen, Les n Sue, Norm n Linda, and Graeme n Pam, the rest of us set off for Maryborough for lunch. We decided on the pub for lunch, 10 bucks for roast and a pot, what a deal!! That's if U are not last to order!!! If you are U get rissoles and veg-yay, what a deal!! but it WAS a good meal so it was ok. So, after lunch it was off on the last leg of our trip to Ararat. The road was ok but the trailer was rocking and rolling. She must have known we were going to a Rock n Roll festival!! We all booked into the motel at Ararat and it's time to wash the cars. It was like a car wash at a scout's fundraiser, with in 2hrs we had 8 cars washed and dried. What a team!! Dinner was at the motel, hmm...Chinese again!! We could not go to bed without doing a cruise of the Main Street. It was just like Bright on Friday night. People were asking 'have U seen the Vicky with the USA neon lights?'. It was all too much for me, went home and I had a few cans which made me feel very relaxed. Les n Sue and Billy Patton will be here in the morning, and have they got something to look forward to, -Bloody ### Chinese Banquet for tea !!! Thank God we are going to the RSL for tea Sunday night!! Mick and Deb.

Saturday 14th March: Mick had arranged for a prime position in the Main Street to where the boys were to park their cars. Well organised they arrived early with their pre washed, polished and immaculate looking cars. Our cars looked the best and displayed well. Thanks to Mick.

At a more respectable hour the ladies took the leisurely walk up to the Main Street. First port of call for Maureen and I was to find a good coffee shop and have a nice coffee, then it was time to wander up and down the street to check out the shops. Passing a few of our other keen shoppers we would have a chat and left them to continue with their shopping. Jackie (shoes and teddy bears) seems to be her main agenda. Debbie (hand bags, clothes, actually anything). Maureen and I were just in time to watch Jim Stocks go in the pie eating competition, he came second, but the winner should have been scrubbed due to the fact that he had a drink of water (not allowed), they were given a voucher for the bakery for their effort. Maureen thought a good antacid might have been more appropriate.

Maureen made a few purchases and by the look of the men at dinner tonight so did the blokes, sporting a few new T-shirts. Ray and Les bought themselves a Guitar each, not sure when and if they can play them. Lorraine showed up to dinner tonight wearing a nice black n white dress she bought at a good price and it looked good on her. We all had a nice Chinese smorgasbord

dinner and some of the crew were planning on going to the drive in to watch "The Castle", weather permitting.

Well fed and tired we all went off to our rooms. Ray and Sandra.

Sunday 15th March: The men were heading off at 7am to set up at the oval as the girls slept in and are going down later. Then I feel a tap on my shoulder after the lamp lit up "My shirt isn't ironed". I roll over and say "get the iron and board out", so my day started at 6:10am, I do admit I quickly got back into bed. The day started again when I joined Deb and Sue for a trip to Ararat's Country Target. With the shopping done we headed to the oval. The Gazebo was up and the flags were flying high making it easy to spot the Cussies. Our display stood out as usual with a few fellow Cussy enthusiasts joining in.

There were stalls selling Rockabilly memorabilia with Rock n Roll music playing and dancing in the marquee. Beautiful cars of all makes and models were shining in the Sun and we were treated to a fashion parade of the Rock n Roll era. Two of our lovely ladies dressed up and joined in the fun. Unfortunately Brenda-Lee and Lorraine were pipped at the post but did us proud. While the fashion winners were announced inside the Show n Shine trophies were given outside. Best Club Display: 49-59 Ford Customline Club. People's Choice: 49-59 Ford Customline Club Car & Trailer, (Micks Ensemble). Off to the RSL for tea at 6:30 pm. We had a very

enjoyable meal and then a little play with the pokies,... it only took 5 minutes to spend \$20, others did better. Our President Rob thanked everyone for coming on the Escape and hoped we had all enjoyed ourselves, which we all responded with a resounding "Yes". Farewells were said to Rob & Marg and Kevin & Brenda-Lee as they were heading off early in the morning to catch the Spirit of Tasmania Monday afternoon. They are going to do a little recon for our 2016 Escape. Back to the motel by 9:30pm with a "good night" to all. Jackie Mulroney.

Monday 16th March: A nice sleep in was had today, as we don't care what time we get home. We stopped for lunch at the Gisborne hotel with the Mulroney's, which was very nice. We arrived home at 2:30pm, all unpacked and another Great Escape is done. Deb and myself would like to thank every one who came on the trip, U people make the trip all that more enjoyable. Thank U one and all. Mick and Deb.

KRUZE4KIDS - SUNBURY

3rd April 2015 - GOOD FRIDAY - ROYAL CHILDREN'S HOSPITAL APPEAL

Good Friday.

The day started early (it was still dark) when Mick & myself headed off to Sunbury for the days event supporting the RCH. Travel was a

little nerve wracking as I took the lead as spotter for kangaroos with Mick towing the trailer, I could warn him, well, just as well we drove at a comfortable speed as I spotted a number of Roo's. One very large roo watched

us pass, slowly, I would estimate him to have been bloody big. We then arrived at the show to be greeted by Pres Rob B and Vice Pres (with feelings) Kevin S. The "A" team set up the gazebo, Club signs, flags, even the American flag and below the Australian flag naturally. Coffee and tea facilities were set up in time for a coffee and we are pleased with, once again, a top class display, assembled by the "A" team. Now the stragglers started

arriving and parking was precisely done for maximum effect. My wife Jackie and my daughter Donna arrived in our XW Falcon Futura loaded with lots of goodies (healthy

food that is). As was expected we won best Club Display again. A lot of money was raised for the RCH at the auction and via the raffle, although some raffle prizes I think were auctioned. Our position although central to the show did have a slight disadvantage, the toilets were a long way away and then it was discovered, "NO TOILET PAPER", fortunately I had a roll in my Cussy for just this type of emergency, which made one lady very happy, she didn't take the whole roll just a few sheets.

A lot of nice cars attended and a great day was had by all.

As observed by Kevin (with feelings) Mulroney. (See Marg I didn't mention you in relation to the toilet paper).

MAY DAY - MAY DAY

23RD & 24TH MAY - AWAY WITH THE CLUB

Our morning started grey and cold on our arrival at The Rubber Connection with a few cars already there. The owners, Heather and Jeff, were still setting up their store in readiness for the "Biggest Morning Tea" to raise money for cancer research.

About 10:00am along came the rest of our Club, being the Breheny's x 2, Jim Camilleri and his mate Dave, the Mulroney's, Graedon Munro, the Stock's, Bill Marg and Jim,

as well as the Horne's, Rob Bruton and the Patching's. It was great to see Rob and Joan Brereton and Rob looking well. The first ticket drawn in the raffle was won by Jim C's mate Dave who picked up the opal pendant. Rob Brereton won a prize and Mick B's grandson was pleased up the model Torana which he had spied

as his ticket was drawn and he picked earlier.

Heather and Jeff raised \$1,000.00 dollars which has already been lodged into the Cancer Council bank account. We then left The Rubber Connection and headed for Terry Dowel's private car collection at Beaconsfield which is a real eye opener. He has cars that have been owned by famous film stars, eg, Bette Davis and Paul Newman. He also owns a Cord once owned by Amelia Earhart and there is a small plaque on her Cord that says, prior to delivery, the car had reached 108 mph.

Terry also has a Tucker Torpedo, of which only 51 were made, which makes it a very rare car. A couple of our members had a ride in this car when it was moved outside (with two wheels smoking. Ed), into the Sun so picture were

able to be taken. There is even a "Brock" corner where Peter Brock's farm buggy is on show with his A40 and an FJ built for Goodwood.

Upstairs is Terry's memorabilia collection. Most of the ladies were enthralled by the large amount in this

collection and many memories were recalled of parents and grandparents. Then there was his vast library which astounded all and the theatrette which is still being finished. It is very hard to describe the whole collection as there was so much to see. Terry is very happy to talk about his collection and to lift bonnets. Every car he has is in working order and are in pristine condition and he has 40+ cars in his collection.

We all left Terry's very happy with what we had seen.

A few members stayed overnight at a motel in Beaconsfield and headed off to the Arkoona Market in Berwick the next day and bought some wonderful things to take

home.

We later met everyone at the Pine Grove Hotel in Upper Beaconsfield for a good Sunday Lunch. There was constant conversation on what we had seen the day before.

Above the reception desk there was a picture of the Hotel prior to 1983 (it was burnt down in the Ash Wednesday fires), with a Customline parked out the front which looks suspiciously like Mick's Bumblebee. Linda and Norm Myers.

CUSSY CLUB 40TH BIRTHDAY

HELD AT THE KEILOR HOTEL ON THE 7TH JUNE 2015

Joan and I left home this Sunday morning, with the Sun shining, but with the heater on as it was a bit cool, at 9:45am heading for the Keilor Pub, and the Cussy Clubs 40th Birthday Party. We were the first to arrive at about 10:45am and Mick arrived shortly after. Mick had organised special parking for our Cussies, to show them off, on the lawn area just outside the room we were allocated.

First things were to help out and get things organised as I had to set up the slide show with my computer and the pub equipment, which all went well, amongst other duties.

11:30am most had arrived and got parked in our display area. The slide show was started, which ran automatically, and

everyone mingled and greeted each other. A couple of rounds of drinks were had before lunch and the members flipped through all the picture albums that were placed around the tables.

Shortly after midday we all put in our orders for lunch which all arrived in due

course. There were calls for "who had the Wallaby shanks" and "who had the pork bellies", amongst

roasts and fish dishes.

When all had finished lunch, our President Rob Breheny, made a little speech about the Club and its 40th Birthday and thanked all for coming along on this special day. He also thanked all those who helped in some way to bring

this day together. Our Vice President, Kevin Shepherd, then helped Rob hand out certificates and badges to all members, who were present today, who had attained at least five years of membership with the Club. Five and ten year members received a laminated certificate and all the longer year

members received a framed certificate and all were very pleased with what they received.

The next item on the agenda was to present the Birthday Cake to everyone and our Founding member, Ray Shalders, was asked to do the honours of cutting the cake. Everyone was presented with a piece, which was very nice, and was made by

Courtney and Debbie. It was then time to get everyone up the front for a group photo which appears on the front of our newsletter and below. If you look closely you will see in the background of the screen that there is

a photo of members who were at the 30th Birthday party back in 2005, and it was purely by chance that it happened, (spooky.....).

As the afternoon rolled on all were pleased to see themselves, somewhere in the slide show, that was showing during the day. It did bring back memories of the great times that were had on the Club Runs. A few more

drinks, coffee and more cake were had by most with lots of chatting and merriment. A few started to drift off after about 2:00pm and Joan and I headed off home at 3:30pm, after packing up all our gear. We had a good trip home which ended another successful day out with the Cussy Club.

See you all again soon, Rob & Joan Brereton.

KEILOR ROTARY CAR SHOW

3RD MAY 2015

It's 6.30 am, Kevin Mulroney and I are off to the Keilor Rotary Club Show n' Shine.

The sun is coming up and it looks like it will be a good day.

Brother Rob and Kevin Sheppard are already there, so the gazebos went up in a flash.

We even had a concrete floor - very civilised.

The cars started to arrive, a total of 14 - not too bad.

It doesn't matter how many flags or banners we have, its the cars that make the display, so well done to U all.

Terry Usher picked up the Best Classic car, well done Terry, and we all got the best Club Display - 2nd year running. The Lions Club put on a very good day and the cars, trophies, and prizes were of a high standard - and we got some things that we can use for the Xmas raffles.

All too soon it was time to pack up with another good day being had by all.

Mick Breheny.
