

Deer Park Hotel Dinner

12-2-2022

Next Saturday the 12th, the weather will be 35 deg and sunny, good cruising weather (as long as there is no traffic).

With the Westgate and M80 road works happening at the moment, the Fish n Chip night will be too hard.

So instead, I'm looking for interest in going to the Deer Park Hotel around 3.30 pm, we'll park out the back, in the car park under the trees, and set up your chairs on the grass for a chat. At about 5.30 pm we'll go in to the pub for dinner, then go for a cruise to get coffee, donuts, and maybe ice cream.

Please let me know your thoughts, as I will need to make a reservation for dinner.

Hope to see you there

Regards Mick
