### FROM THE EDITOR

Welcome to the December 2022 TO March 2023 Newsletter

Well! It has been a pretty soggy 6 few months since the AGM, and the last newsletter. As a result, we have seen many events cancelled, and not many weekends when it has even been viable to pull the Customline out of the garage. Hopefully all members have managed to stay dry and have not suffered any loss of property resulting from wet weather.

Runs that have gone ahead have been a great success!

Remember, I need your Run Reports, so please send them to me!

The Ford Rotunda was a tourist attraction that was originally located on the South Side of Chicago, Illinois, and later was relocated to Dearborn, Michigan.

At one point in the mid-20th century, it was the fifth most popular tourist destination in the United States

### RUSTY SPRINGS/EUROA SHOW AND SHINE

Rusty Springs  
Friday 30<sup>th</sup> Oct 2022  
Day 1

The weather was on our side for a beautiful start to the day with us meeting at hamburger Hill. A convoy of around 6 cars then headed on to Broadford to the Soul Café for brunch where we were met by Jimmy and Bec. After an enjoyable and fully loaded brunch we were back on the road for a quick stop over at crash em up Kev's!!!! for some much needed moral support and to pick his chin up off the ground. Everyone had some input but we got his tail light (and pride) back in working order. We then headed onto our board and lodgings for the weekend at Rusty Springs in Avenel.

Some fun was had in choosing our desired room, Les and Sue insisted on the "whore house", Graham and Pam quickly snapped up "The chapel of love", while poor Jimmy and Bec ended up in "jail", Mick was in the lawyers chambers and represented them all..... The rest of us were very demure in the barber, butcher, bakers etc but a lot of fun was had by all.

We settled in, sat back and relaxed and caught up on life's going on.

Before we knew it, it was time to think about dinner. Some chose to stay put and enjoy a pizza and the rest of us headed into Nagambie to the pub for a good old fashioned Aussie counter meal. Lambs Fry and bacon and lamb shanks were on the menu and were the group favourites.

We then headed back to Rusty Springs to finish the night sitting around the fire with a drink and some banter.

All in all a very successful and enjoyable day.

Run report for Saturday 1<sup>st</sup> October

We spent our first night at "Rusty Springs" in Avenel. When everyone was organised we all travelled up in convoy to Shepparton to spend some time at the tourist complex. First stop was brunch at the onsite café and then everyone made their way around the complex. It consisted of a nursery /gift shop/ a pot/sculpture shop /a chocolate shop and an antique store. The main attraction was the MOVE (Museum of Vehicle Evolution). This also included the Loel Thomson collection which showcased fashions from years gone by. In the vehicle section it included cars /trucks/buses/motorcycles and bicycles with information boards galore. Absolutely wonderful display. After a couple of hours some people went back to our accommodation and some chose to peruse the shops in town. That evening we all enjoyed a BBQ cooked by chef extraordinaire Les. The rest of the evening was spent in front of the lovely woodfire.
